HEALTH INSURANCE: The Blue Cross Blue Shield plan that the County provides to employees is a PPO plan with a \$2,500.00 individual/\$5,000.00 family *in-network* calendar year deductible. *Complete benefits and summaries will be available after July 1st @ www.nacone.org –Services - Health Insurance – Summaries/Benefits for \$2500 deductible OR you can call the phone # on the back of your BCBS card OR track and see all of your health care information, personalized for you, by using the *myblue* website (mynebraskablue.com to sign up) and/or the mobile app for BCBS of NE. You can find providers, your benefits info, claims history, prescription coverage information, etc. all in one place and all specific to you and your covered dependents. Please know that any specific questions you have on your insurance/coverage, you do have to call yourself (BCBS phone # on the back of the card); with HIPAA, they will not release information to our office about your specific health services.

BCBS will be sending you a new ID card, please use this starting July 1st.

Throughout the year, changes “due to a qualifying event” (i.e. a new child, marriage, child going off of policy, retirement, etc.) must be furnished to Blue Cross within 60 days of an event. They will refund up to two month’s premium prior to the date they are notified, so please be sure and notify the County Clerk’s Office with any such changes.

COUNTY PAID DEDUCTIBLES via Mid-American Benefits: The Patient Protection and Affordable Care Act requires that Burt County provide employees with a summary of Mid–American’s benefits and coverage..... The Blue Cross Blue Shield plan that the County provides to employees is a PPO plan with a \$2,500.00 individual/\$5,000.00 family in-network calendar year deductible.

Blue Cross Blue Shield works with Mid-American Benefits to act as a Third-Party Administrator. Mid-American Benefits receives copies of your Explanation of Benefits from Blue Cross Blue Shield. Once each insured individual has met his/her deductible of \$500.00 or family deductible of \$1,000.00, Burt County pays the remaining \$2,000.00 deductible per individual or \$4,000.00 deductible per family. This deductible paid by the County is administered through Mid-American Benefits directly to the provider, and you receive a statement showing what amounts were paid and to whom from Mid-American.

In this way Burt County has been able to hold the monthly insurance costs down and still provide its employees with insurance that essentially has a \$500.00 out-of-pocket deductible for individuals and a \$1,000.00 out-of-pocket deductible for families.

DENTAL INSURANCE:

Our dental rates have not changed. If you have employee/spouse or employee/children dental, your rate will be \$50.46 a month. If you carry employee/family, your rate will be \$60.98 a month. (Employee only dental is paid by the County, so that amount is subtracted off of the rates you pay.)
