

TO: Members of the Press and Members of the Public

FROM: Burt County Board of Supervisors

IN REF: Virtual County Board Meeting

Due to the COVID-19, Governor Pete Ricketts issued an executive order to permit local governmental boards, commissions, and other public bodies to meet by videoconference, teleconference, or other electronic means through May 31, 2020. The Burt County Board of Supervisors respectfully requests that the Press and Public please consider attending the meeting via our Virtual Conference Methods.

We are trying to limit the number of people (10 person COVID rule) in the room and practice social distancing, in doing so, will not be able to accommodate having extra people attend in person.

The meeting will be available via ZOOM software.

*Below you will find all info you need to attend the meeting Virtually.*

We ask everyone to please make sure your device is on 'mute' when you join the meeting. There is a microphone image down at the bottom of the Zoom screen, click to 'mute/unmute'.

If you are not on the agenda with an appointment, there will be a specific time allotted for 'Public Comment'
